23. What did your instructor do that helped you the most in the class?
- [Student 1](#): They were open to answering questions and were willing to explain more on anything I was confused on.
- [Student 2](#): The instructor helped me and accommodated to me when I was struggling mentally.
- [Student 4](#): The instructor gave multiple different sources to analyze and learn from. There was ample opportunity to ask questions either in class or by email.
- [Student 5](#): Instructor made sure everything is clear and understandable, it felt like I was learning face to face which helped me a lot to understand everything , this class was so much fun to learn things which I never knew.

24. What suggestions do you have to improve the way your instructor had taught this course?

[Student 1](#): Nothing in particular, I got quite a lot out of this class and was satisfied with it.

[Student 2](#): Probably to have the video/page number information in the modules instead of home. That is probably the only thing.

[Student 4](#): There could have been more opportunities for students to share ideas with each other.

[Student 5](#): Everything is perfect, But I would say if possible classes should be in person.

25. What did you like best about this course?

[Student 1](#): The accessibility, it was made very accessible for all people.

[Student 2](#): The discussion boards definitely.

[Student 4](#): Content was engaging and well organized, and the instructor was very supportive.

[Student 5](#): I got to learn about lots of things which I never knew.

26. What did you like least about this course?

[Student 1](#): I wish it had been in person, I enjoyed this class and I think we would've gotten very robust, in depth discussions out of it.

[Student 2](#): I dont think I disliked anything.

[Student 4](#): Nothing in particular.

27. What other comments do you have about this instructor or this course?

[Student 1](#): I learned a lot in this class and have no complaints, I came in with very little knowledge on the subject and am leaving with more than I thought I would :)

[Student 2](#): none

[Student 4](#): No comments.
